

ECO CERTIFICATE GRÜNER PUNKT

By participating in our dual system
for recycling of sales packages, the company

Cantina Santa Maria La Palma
Alghero Soc. Coop.
07041 Alghero (SS)

in 2017 contributed towards saving:

	27 t CO ₂ equivalents
	3.497 kg crude oil equivalents
	7 kg phosphate equivalents
	235.025 MJ primary energy
	58 kg sulfur dioxide equivalents

The quantity of primary energy avoided by your contribution corresponds to the quantity which is necessary to clean the washing in 91 households during a whole year.

Recycling reduces greenhouse gases and as such is an important contribution towards climate protection. Der Grüne Punkt publishes its annual balance of environmental performance since 2001 which confirms this positive effect on the environment. The environmental performance balance is regularly reviewed by the experts from IFEU in Heidelberg.
